

CAMP RULES

To help with the running of camp we have a few rules:

- Bullying is not permitted or accepted at any point.
- Campers are not allowed to leave the premises without permission from the leader.
- Smoking or the possession/use of alcohol or illegal substances is prohibited.
- The use of mobile phones at junior camps is not allowed for child protection reasons. This will not prevent you communicating with your child. Speak to the leader for more information.

In the event of a serious or continual breach of camp rules we reserve the right to arrange for the camper to be collected.

HOW TO APPLY

Fill in the application, cut it off and send it to the leader of the camp you want to attend. If you wish to receive communications in hard copy please include a stamped self addressed envelope. If you want to pay by cheque include that also, made payable to that camp. If you wish to pay by bank transfer the camp leader will give you the details after receiving your application. **(If you wish to receive email communication please ensure the relevant camp email address is added to your contact list, otherwise there is a risk of emails being sent to your junk mail box.)**

Spaces will be allocated on a first come first served basis, and late applications are subject to a £5 late fee. When your application has been accepted you will receive further information about the week.

The Reformed Presbyterian Church provides camps as holidays for young people from within and outside of the denomination. The camps are organised and led by committed Christians who are keen to share the good news of the Lord Jesus Christ.
