Android Psalms App

Psalm app (version 1.0.0(89))
Psalm app lite (version 1.0.1(85))

Installation instructions:

1. **Download the .apk file at either of those links and transfer it to your phone.**

2. **Navigate to the settings on you phone and go to the security section. Enable Unknown sources.**

3. **Use a file browser on your phone to install the psalm-app.apk that you transferred earlier.**

4. **Go back to settings > security and disable Unknown sources again.**

The psalm app should now be on your phone. The icon is a red book with a 'P' on it.
